LAMINATES

select

Introducing the Select Range, a collection of exquisite laminate floors that combines the look, feel and durability of real hardwood. With a range of contemporary colours and finishes, our stunning designs are for all types of homes - modern or traditional, with elegant graining patterns in a variety of beautiful colours for underfoot comfort.

Featuring a waterproof core for those accidental household spills, this range is perfect for the busy home.

With an AC5 rating, this board is especially resilient to any kind of heavy load, making it suitable for busy households and commercial spaces such as retail stores.

- Board Size 1845 x 235 x 10mm
- Abrasion Rating: AC5
- Decorative Layer: High Definition Print
- Water Resistance: Waterproof
- Edge Profile: Micro Bevelled
- Click System: Patented Uniclic
- Suitable Application: Residential & Commercial
